Maumee, OH 43537

Arrowhead Behavioral Health is a private, caring, free-standing mental health treatment facility located in Maumee, OH. As a provider for behavioral health and substance abuse services in Northwest Ohio and Southeastern Michigan, we provide a continuum of care, support, and hope. Our mental health programs and addiction treatment services are for adults 18 years and older. We offer a private, confidential and non-institutional environment conducive to healing and recovery. Arrowhead Behavioral Health is committed to providing compassionate and comprehensive behavioral healthcare to those we serve.

Arrowhead provides a variety of specialized services:

- Inpatient Acute Psychiatric Services
- Inpatient Substance Abuse and Detoxification Treatment
- Inpatient Dual Diagnosis (co-occurrence of mental illness with substance abuse)
- Suboxone Induction and Maintenance (for opiate dependence)
- Outpatient Treatment
- Partial Hospitalization Program (PHP)
- Intensive Outpatient Program (IOP)
- Relapse Prevention (Aftercare)
- Up to 28-Day Dual-Diagnosis Rehabilitation Programs
- Impaired Professionals Program

Counselors in our Admissions Department at Arrowhead Behavioral Health are available 24 hours a day, 7 days a week, for mental health evaluations (24/7 assessments are free.) For more information about our mental health programs or substance abuse treatment for yourself or a loved one, please call 1 (800) 547-5695.

NEW VISION, WOOD COUNTY HOSPITAL

woodcountyhospital.org

Confidential Assessment Line: (419) 728-0604

950 W. Wooster Street

Bowling Green, OH 43402

(Inpatient medical stabilization and withdrawal management for alcohol or drugs)

Wood County Hospital has partnered with New Vision to provide a medical withdrawal management services for those with pending or active withdrawal from alcohol, prescription medications and other drugs.

Patients are admitted to WCH for a short stay (typically 3-5 days) while our physicians and nurses treat them. New Vision staff at the hospital work with patients to create a discharge plan, connecting patients with continued care within a recovery program. Through this program, withdrawal is medically managed by a team of the hospital's doctors and nurses.

Most commercial insurance plans, Medicare and certain Medicaid plans are accepted.
